Get to Know the Moon

Observation Journal

Name _____

Directions

Observe the moon each day for one month. For each observation, write down the date and time. Then, illustrate how the moon looks and record any notes about what you see. If you cannot see the moon at all on a day, write this in your journal. Keep safety in mind and always make your observations with a parent or other adult. Have fun!

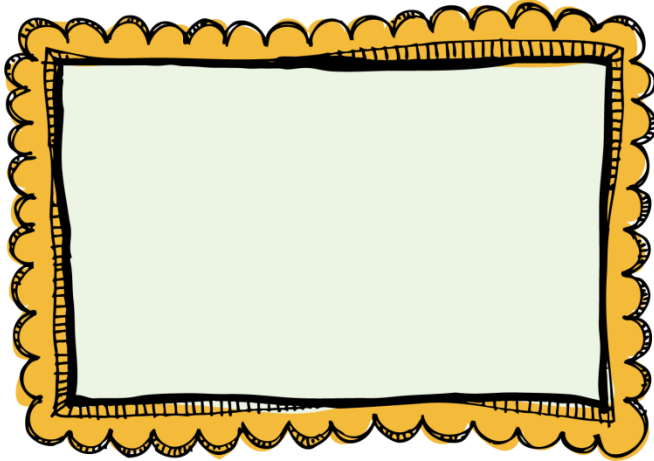

Materials Needed

- Journal
- Pencil
- Crayons (optional)

Date: _____

My Observations

Time: ____:____ ☐ a.m. ☐ p.m.
